M.L King Drive and Clifton Avenue

The following work has been scheduled to be performed in the street right-of-way affecting the normal traffic patterns.

LOCATION: M. L. King Drive and Clifton Avenue

TYPES OF WORK & PERFORMED BY: Miller Pipeline, a contractor for Duke Energy, will be digging a trench and installing a gas main through the intersection.

SCHEDULED DATES AND TIMES OF WORK: Beginning Sunday, July 22, 2007, and lasting for up to two weeks, the contractor will work in the intersection between the hours of 7:00 PM and 5:00 AM, nightly.

TRAFFIC CONTROL PLAN: During portions of the work, westbound traffic on M.L. King Drive, west of Clifton Avenue, will be detoured to use the surrounding street network. This will also affect traffic from northbound Clifton Avenue turning left onto westbound M.L. King Drive. The detour will direct motorists to go north on Clifton Avenue to west on Dixmyth Avenue back to M.L. King Drive.

All detours will be posted. Motorists are urged to reduce their speed and use caution as they approach this work area.
